

June 8, 1999

Commissioner, U.S. FDA

Dear Dr. Henny,

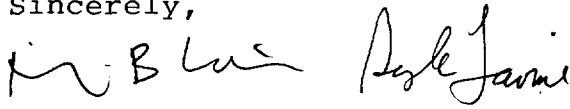

8494 '99 JUL 12 P3:20

Please, PLEASE, ban human antibiotics in animal feeds. You must not jeopardize the effectiveness of our precious antibiotics.

Please support the 1997 WHO report recommendations.

Don't give in to the strong, selfish farm lobbyists.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. B. Lavine" followed by a flourish.

Richard and Dayle Lavine
